

Understanding Immunization Practices

Do you have questions and concerns about the current immunization requirements for your child to attend school? Do you wonder why immunizations are recommended by Public Health organizations and Physicians?

Please join **Michael Hoffman, MD**, with Elmhurst Memorial Medical Group and on staff at Elmhurst Hospital, for a discussion of the latest immunization and prevention guidelines.

Wednesday, April 3, 2019

7:00 p.m. - 8:15 p.m.

Elmhurst Public Library

Registration is required, please call
(630)279-8696 or register online at
elmhurstpubliclibrary.org
